

# VISION SUNDAY 2019

MAKE AND MATURE MORE FOLLOWERS OF CHRIST

In the next ten years, CPC will engage in spiritual formation at a magnitude that will propel us into thoughtful and gracious cultural engagement on the San Francisco Peninsula to ignite both personal and societal transformation.

WORSHIP	SPIRITUAL FORMATION	EQUIPPING	CULTURAL ENGAGEMENT
Worship is our God—glorifying response to who He is and what He has done.	Spiritual formation is the process of intentionally opening our lives to the work of the Spirit to become more like Christ.	Equipping is preparing all followers of Jesus to serve both inside and outside the walls of the church.	Cultural engagement is our thoughtful and gracious participation in society, as both individuals and as a church community, so that people encounter God
