

Galatians 3:1–14  
October 31, 2021  
Dan Reid

1. Dan opened his sermon rehashing a bit of Martin Luther's life and posing an age-old question: How does the Doctrine of Justification by faith alone affect the way we live in the present?
2. Along with this he pointed out that just like the Galatians we can be tempted to rely on our good works even after salvation by faith alone. Why do you think this is?
3. What does it mean to be a 'Child of Abraham' in verse seven?

4. On the topic of Abraham, Dan surmised that “The Bible is a book full of stories not of heroes, God is the only hero, everything else is a story of people relying on God’s grace.” How should this change the way we look at these stories?

5. Finally, how do we “relearn the Gospel every day,” and what should this do to us?
